and mixed media by  
éduard ladan  
to be opened by  
prof. derk crichton  
of the university of  
natal on monday, 9th  
march, 1964 at 5.30 p.m.

the universe endures, the more we  
study the nature of time, the more we  
shall comprehend that duration means  
invention, the creation of forms  
the continual elaboration of the  
absolutely new • henri bergson
