Esias Bosch

Esias Bosch, the Transvaal potter whose exhibition of stoneware in the Klerksdorp City Hall will be opened on April 16 by Mrs Magriet Pelser, wife of the Minister of Justice. The show has been organized by the Western Transvaal Association for the Arts, an independent and enthusiastic group, based in Klerksdorp and devoted to the appreciation and promotion of the arts. in a huge area as far west as Mafeking.

The association was formed three years ago with a membership of 16. Today there are more than 100 members. The Bosch show is an experiment by the association: to convince the Klerksdorp City Council - like all city councils, not overenthusiastic about art - that art shows held in the city hall can be a success. If it comes up to expectations, the association will hold six art shows there a year.
