

patron and friends

it is a pleasure

to invite you to an exhibition
of hand woven tapestries
designed by albert christoph reck

mr reck has lectured in art
in johannesburg and hamburg in germany

for the last 14 years
he has become progressively more
involved in african ethnic
traditions and origins

he has absorbed these during
a yacht discovery trip around africa and
through close contact with african people
in swaziland

invitation

gallery 21

invite you to the preview of
